

## 2022-23 Juniors Class Supply List

Every **individual** Junior will need:

- One pencil box (preferably translucent plastic) labeled with student's name
- 2 white plastic/polymer erasers (these work better than latex)
- 1 roll of patterned washi tape
- 1 pair of scissors - left or right handed
- #2 pencils (OPTIONAL, for personal use)
- 1 pair of comfortable slip-on shoes for indoor-only use at school
- 1 refillable water bottle - clearly labeled with student's name
- 1 lunch box - clearly labeled with student's name
- 1 backpack - clearly labeled with student's name

*You do not need to purchase new supplies for your student's personal use.  
Please use what you already have and can spare for your student to keep at school.*

Please purchase the items from your class level list to contribute to our **shared** supply:

Junior 1	Junior 2
1 pack* of glue sticks - name brand	2 boxes of facial tissues- nice quality
1 variety pack* of low odor Expo markers	2 dozen or 1 larger package of #2 pencils (we like Ticonderoga brand best)
1 box of kitchen sized trash bags	1 box of kitchen sized trash bags

\*We are not picky about what size "pack" you purchase. Please choose what is readily available and in your budget.

We will provide everything else needed for our daily classes.

Thanks so much!

The Juniors Teaching Team
