- All month long, we are enjoying a March Down Memory Lane on social media. The first blog post with photos celebrating North Branch's 40th anniversary is now on our website. Enjoy them here:

- As part of their year-long study of American history, the Junior class spent yesterday at the interactive Lewis & Clark Exploratory Center in Charlottesville.

Ways to help NBS...

- During March and April, please bring a bottle or two of wine, specialty beer, or specialty soda for North Branch's **Cork Raffle**. Drawing at BandFair; you do not need to be present to win. Winners take home a nice selection of corked items. **All proceeds, plus a matching donation up to \$3,000, go toward end-of-year bonuses!**

Thank you to ...

- Everyone who joined in the **Pi Day** fun! Yesterday parents, grandparents, board members, and alums donated **over \$2,000** to support the students and teachers of NBS! It's not too late for a Pi donation. This is a great way to **help NBS receive a \$2,500 challenge donation for 100% family participation in the Annual Fund**. (Currently 70% of families have contributed - thank you!)
