

## 2024-25 Juniors Class Supply List

Every **individual** Junior will need:

- One pencil box (preferably translucent plastic) labeled with student's name
- 2 white polymer erasers - Pentel brand is good.
- 1 roll of patterned washi tape
- 1 pair of scissors - left or right handed, whichever is needed.
- #2 pencils for personal use, if desired (each classroom has pencils available to all)
- 1 pair of comfortable slip-on shoes for indoor-only use at school
- 1 refillable water bottle - clearly labeled with student's name
- 1 lunch box - clearly labeled with student's name
- 1 backpack - clearly labeled with student's name

*You do not need to purchase new supplies for your student's personal use.  
Please use what you already have and can spare for your student to keep at school.*

Please purchase one of each item from your class level to add to our **shared** supply:

Junior 1	Junior 2
1 pack* of glue sticks - name brand	2 boxes of facial tissues- soft quality
1 pack* of low odor dry erase markers, all black or assortment, any brand	3 dozen or 2 larger pack of #2 pencils (we like Ticonderoga brand best)
1 box of 13-gallon trash bags	1 pack of ultra fine point black Sharpies

**\*We are not picky about what size "pack" you purchase.  
Please choose what is readily available and in your budget.**

We will provide everything else needed for our daily classes.

Thanks so much,  
The Juniors Team
