

2025-26 Juniors Supply List

Every **individual** Junior will need:

- **1 pencil box (preferably translucent plastic) that holds the following supplies**
 - **2 white polymer erasers (Pentel brand is good)**
1 will be contributed to the class supply
 - **1 roll of patterned washi tape to identify each personal item, including pencils**
 - **1 pair of scissors - left- or right-handed, as appropriate**
 - **OPTIONAL: #2 pencils for personal use**
Each classroom has pencils available to all, but some students prefer to take care of their own.
 - **OPTIONAL: 1 set of colored pencils and/or crayons**
We provide an ample selection of both, but some students like to have their own set or access to a few favorite colors. The set must fit in the pencil box. 8-12 colors is plenty.
- **1 pair of comfortable slip-on shoes for indoor-only use at school**
- **1 refillable water bottle**
- **1 lunch box**
- **1 backpack**

All items should be ready to use and clearly labeled with your student's name in permanent marker or on tape.

*You do not need to purchase all new supplies for your student's personal use.
Please use what you already have at home and can spare for your student to keep at school.
We encourage reducing by reusing!*

Please purchase **one of each** item from your class level to add to our **shared** supply:

Junior 1	Junior 2
1 pack* of glue sticks - name brand	3 boxes of facial tissues- soft quality
3 dozen or 2 larger packs of #2 pencils (we like Ticonderoga brand best)	1 pack* of low odor dry erase markers, all black or assortment, any brand (no thin markers, please)
1 box of 13-gallon trash bags	1 pack of ultra fine point black Sharpies

***We are not picky about what size "pack" you purchase.
Please choose what is readily available and in your budget.
No need to label the shared items or to remove packaging.**

We will provide everything else needed for our daily classes.

Thanks so much,
The Juniors Team
